

Sowndarya Sree T

AI & ML Student

sowndaryasree2007@gmail.com | +91 9944611332 | [LinkedIn](#) | [Github](#) | [Portfolio](#)

OBJECTIVE

To apply programming, problem-solving, and technical skills in software and technology-driven environments while contributing to practical projects and continuously developing strong engineering skills.

SKILLS

Technical Skills: Java, OOP (Basic), Data Structures (Basic), Machine Learning Fundamentals, Python (Basic), HTML, CSS, JavaScript, Git, GitHub

Soft Skills: Problem Solving, Teamwork, Adaptability

INTERNSHIP EXPERIENCE

Machine Learning Intern | Qube Space LLP

June 2026 | 2 Weeks

- Gained hands-on experience with machine learning workflows and data preprocessing.
 - Worked with Python-based tools and explored practical applications of machine learning.
-

PROJECTS

AI-PrepArena | Python, Streamlit, Supabase, Ollama | 2026

[GitHub](#) | [Live Demo](#)

- Built an AI-powered placement preparation platform with authentication, practice modules, quizzes, mock interviews, progress tracking, and leaderboard features.
- Integrated Supabase for user authentication, data management, and application functionality.

SST Transportation Website | HTML, CSS, JavaScript | 2026

[Live Demo](#)

- Designed and developed a responsive transportation business website to showcase services, company information, and contact details.
 - Implemented structured navigation and responsive web layouts for a user-friendly experience.
-

CERTIFICATIONS

- Supervised Machine Learning – DeepLearning.AI & Stanford University
 - Start Writing Prompts Like a Pro – Google
 - Introduction to Artificial Intelligence – IBM
-

ACHIEVEMENTS & PARTICIPATION

- Ideathon – Kumaraguru College of Technology – **First Prize** – 2025
 - Web Agent Hackathon – Coimbatore Institute of Technology (INTELLINA 2K26) – 2026
 - Paper Presentation – PSG College of Technology (KRIYA 2025) – 2025
-

EDUCATION

B.E. Computer Science and Engineering (Artificial Intelligence and Machine Learning),
Dr. Mahalingam College of Engineering and Technology, Coimbatore | 2024–Present | CGPA: 9.2
